Nurse Assistant -
Acute Care

PROGRAM DESCRIPTION

Nurse Assistant – Acute Care is designed to prepare students who are Certified Nursing Assistants for employment in the acute care setting. Students will learn reinforcement of CNA skills, with special emphasis on specialized acute care areas such as medical, surgical, orthopedic, pediatric, and obstetrical units. Integrated throughout the class are career preparation standards that include basic academic skills, interpersonal skills, problem solving, safety, and technology. Clinical worksite learning is a required component of the program.

PROGRAM REQUIREMENTS

- Must show proof of passing current California State Board or CNA State Certification.
- One official sealed high school or equivalent transcript required for enrollment. Foreign transcripts must be translated for U.S. equivalency by an official U.S. service to be accepted. **Do not mail transcripts to the school site**
- Current proof of Basic Life Support (BLS) for Healthcare Providers certification required. Original BLS CPR card must be presented to Student Services staff prior to the start of the program.
- Worksite learning is a required component of the program. Specific hours and attendance required. Students must have a grade of C+ or better in the program to participate in worksite learning.
- Uniform required (scrubs). Not included in program costs. Specific color requirements: Caribbean (matching top & bottom).
- Negative TB test and physical exam are required for participation in worksite learning.
- Current influenza vaccine set by clinical site guidelines.
- Refer to the Student Handbook to review all program policies at www.cryrop.org or request a free copy in the Student Services Office.
